NORTH CAROLINA AGRICULTURAL & TECHNICAL STATE UNIVERSITY

Brief Description
North Carolina Agricultural and Technical (NCA&T) State University is a learner-centered community that develops and preserves intellectual capital through interdisciplinary learning, discovery, engagement, and operational excellence. A doctoral/research intensive university and a land-grant institution, NCA&T offers degrees at the baccalaureate, master's, and doctoral levels. The University's academic programs are organized into two colleges (College of Engineering and College of Arts and Sciences) and six schools (Agriculture and Environmental Sciences, Business and Economics, Education, Nursing, Technology, and Graduate Studies). To continue its efforts to enhance diversity, the University actively recruits minority students.

History

Location
Downtown Greensboro (city population: 225,000; Guilford County population: 424,000), a major city in the piedmont region, serving as a trade and business center.
