First-time Access Only

First-time Registration: For first-time access, you must register yourself in the Criterion system. Register once to set up your User Name and password. After this first time, you must LOG IN for regular access to your portfolios.

Step 1. Go to http://criterion.ets.org
   Go to Student Website

Step 2. Click REGISTER to register yourself into the Criterion system

Step 3. To gain access to your first class assignment:
   Enter the Access ID provided by your class instructor
   Example: chem10105
   Password = ncat

Step 4. On the next screen, enter your STUDENT INFORMATION
   • USER NAME = your nine digit Banner ID Number
     Example: 950123456
   • PASSWORD = ncat
   • Enter your first name, middle initial, and last name
   • Enter your email address
   Click CREATE REGISTRATION

Step 5. You are now at your Home Page and have access to Criterion writing assignments set up by your instructor. Select an assignment and proceed.

Regular Access

LOG IN: After you register once, you must LOG IN to your portfolios for existing class assignments.
User Name = your Banner ID and password = ncat

ADD CLASS: Click on Add Class to enter a new class that you have not previously entered and to which you have not previously submitted any writing. Enter the Access ID provided by your class instructor and enter ncat as the password.
